- Objective: Q4 product rollout synchronization across regional leads.

16:00 – 16:45 | EOD Admin, Email Triage & Sign-Offs

17:00 | HARD STOP

STAKEHOLDER INTELLIGENCE & BRIEFING NOTES

- **09:30 Client Meeting (Apex Solutions — CEO & Head of Procurement):**

- Background: Renewal up in November. Key stakeholder expressed concern last month regarding support ticket resolution times.

- Operations Update: Support resolution speed improved by 25% following new SLA workflow implemented in Q3. - Recommended Talking Point: Emphasize dedicated support channel and present revised SLA metrics.

- **11:30 HR Strategy Sync (Head of HR):**

- Background: HR requesting 2 additional Senior Analyst positions for Q4.

- Operational Context: Budget permits 1 immediate hire in Q4, with second hire deferred to Q1 pending board approval.

- Recommended Talking Point: Approve 1 immediate position today; align second role with Q1 revenue targets.

PENDING APPROVALS & SIGN-OFF STATUS

- **Expense Approvals:** 3 requests pending in portal (\$1,420 total — all within policy limits).
- **Leave Request:** Senior Analyst (2 days in November — backfill coverage confirmed).
- **Contract Signature:** Supplier NDA for Project Horizon (reviewed by Legal; cleared for signature).

CONCLUSION & OPERATIONAL FOLLOW-THROUGH

All briefing materials, pre-read links, and presentation slides have been verified and attached directly to corresponding calendar invites.

Next Operational Check-in: Tomorrow at 08:30 SAST for daily alignment.
